

87 cm working width

**Sweeping performance: up to 4,350
m²/h**

**Take-it-Easy dirt hopper system
provides easy emptying**

Sweepmaster 800

Walk-behind vacuum sweeper for small to medium-sized areas

Optimised for small to medium-sized areas: The Sweepmaster 800 provides superior cleaning results with a sweeping performance of up to 4,350 m²/h. This machine works by applying the clever overhead throwing principle which ensures maximum filling of the dirt hopper to provide both uninterrupted working and excellent sweeping results. The robust, heavy-duty steel frame design makes this Sweepmaster a genuine professional – for impeccably clean floors at all times.

- **Take-it-Easy dirt hopper system**
- **Maintenance-free battery-powered drive system for indoor use.**
- **Low-consumption petrol engine for outdoor use.**
- **Cleaning right up to edges.**
- **Optional Carpet-Kit available.**

Take-it-Easy: dirt hopper system integrated in the handle bar

Particularly comfortable: The Take-it-Easy dirt hopper system of our Sweepmaster 800 enables easy emptying. The hopper has two separate compartments, for a better weight distribution and easy emptying.

- The pivoting handle bar provides easy opening.
- The dirt hopper can be removed with ease.
- Coarse pieces of debris can be thrown into the hopper manually.

The filter: shake and clean

The filter shaker allows easy cleaning during operation to provide consistently good cleaning results. When the day's cleaning job is over, the filter can be accessed easily and from the clean side to allow uncomplicated and thorough filter-cleaning.

Special features

Designed with much attention to detail

Maintenance-free battery-powered drive system: The on-board charger allows charging at any power outlet.

Petrol engine for outdoor use: low-consumption and low-noise industrial engine.

Cleaning close to edges; widely overlapping side broom provides easy working in curves.

Optional: Carpet-Kit turns the Sweepmaster 800 into a gentle yet thoroughly efficient carpet-cleaning device.
